Experience

Junior Frontend Developer @ Cheil Australia

Full Time | August 2022 – Present

- Lead front-end developer in Samsung BESPOKE Fridge Configurator project
- Working closely with UI/UX designer to design and build solutions for client requests

Digital Experience Intern @ Cheil Australia

Internship | May 2022 – August 2022

- Creating and editing components on Samsung website and Samsung e-commerce website
- Working with HTML, CSS/Sass, JavaScript, gulp.js, jQuery, Bitbucket, and Figma

Frontend Developer @ Jacks of Fiji

Internship | January 2022 – April 2022

- Worked in a team to push a website for one of the Jacks of Fiji restaurants to production
- Created designs for the restaurant website
- Worked with Wordpress and used custom CSS to style the website according to designs

Featured Projects

Samsung BESPOKE Fridge Configurator

A tool enabling customers to visually choose combinations of fridges for their homes. Built out multiple variations to go on in-store tablets at Harvey Norman, The Good Guys, and Winnings Appliances, and also supplied the code to these retailers to integrate the configurator onto their websites.
